

Why choose Simple Fund 360

How will you benefit?

- ① Connect with us from anywhere, anytime, any device!**

Being a cloud based SMSF administration solution, you can be connected to us 24 / 7.
- ② Access information about your SMSF**

You will now be able to easily access details in real time and daily information relating to your member balance, contributions and pension payments.
- ③ SMSF financial reports and documentation**

We can now deliver and allow you to sign reports electronically. You can also access all reports and documents relating to your SMSF through our unique online document management system.
- ④ Monitor Your Investments**

Easily access you investment portfolio and its performance, with the added fun feature of being able to run comparisons.
- ⑤ Security has been taken care of**

Australian-based data centres utilising innovative architectural and engineering approaches ensure that your information is always protected.
- ⑥ Better level of service**

We are always looking for ways to service you better. This technology will allow us to provide you with the optimal experience and the highest level of meaningful engagement.
- ⑦ Tax return and audit**

By automating the collection of your SMSF data, not only can we collect all the necessary source documents, we can also start working on your tax return sooner.
